Thorough **observation** and **curiosity** for the world around us have always been at the heart of the **creativity** and **modernity** of the Prada Group. In society, and thus in fashion, which is somehow a reflection of it, the only constant is **change**.

The Six Brands

Since 1913, Prada has been synonymous with cutting-edge style. Its intellectual universe combines concept, structure and image through codes that go beyond trends. Its fashion transcends products, translating conceptuality into a universe that has become a benchmark to those who dare to challenge conventions. With its collections, today Prada embodies and spreads the vision and intellectual curiosity of co-creative directors Miuccia Prada and Raf Simons.

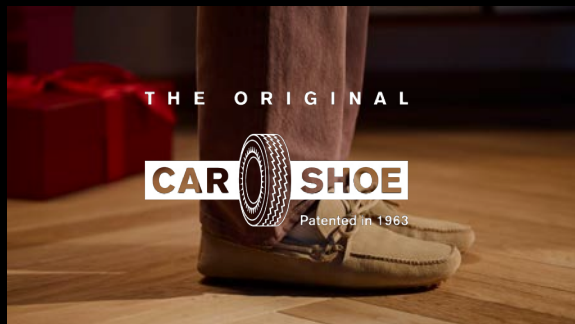

Miu Miu was born in 1993 from the independent and unconventional spirit of Miuccia Prada. The brand is the most unrestrained portrayal of the designer's creativity. The designer's distinctive interpretation and decoding of the world today is its driving force. A universe of exploration and innovation, the ever-evolving nature of Miu Miu reflects the radical and impulsive character of the woman behind it. Miu Miu is immediate, instinctive and irreverent. With a light but always sophisticated touch, the brand leads fashion, representing the courage to take risks, a razor-sharp instinct to respond to shifts in contemporary fashion and culture.

Church's handcrafted shoes represent timeless elegance and artisanal quality. With a history dating back to 1617, Church's combines the finest leather and superb craftsmanship with impeccable English style, redefining contemporary luxury by centuries-old tradition.

The Six Brands

Since 1963, Car Shoe has been known for its iconic loafers with rubber studs and deconstructed soles. Stemming from a passion for race cars and fine handmade shoes, this timeless accessory has become part of the common imagery of travel and motors.

Pasticceria Marchesi, a Milanese icon since 1824, is renowned for its elegant ambience, its impeccable service and exceptional patisserie. Locations include the historic Via Santa Maria alla Porta, Via Monte Napoleone, Galleria Vittorio Emanuele II in Milan, and a store in London's Mayfair.

Luna Rossa Prada Pirelli is the Italian sailing team that took part in the 37th edition of the America's Cup, representing the Circolo della Vela Sicilia for a third consecutive time. More than a sporting competition, the challenge is the highest expression of professional sailing and technological innovation. Over the years, the project has won the hearts of Italians and sailing enthusiasts around the world.
